After-school recreation is offered every working day of the school year after the school day finishes. It is also open on parents' days and two out of five teacher conference days. Registration must be made separately for placement on non-teaching days and registration must be received 2 working days before the scheduled date. The fee for those days is ISK 1,614.

If parents/guardians of children in after-school recreation (Dægradvöl) also have a child in a preschool in Mýrdalshreppur, a 25% discount is given on the monthly fee. If parents/guardians have two children in after-school recreation (Dægradvöl), a 50% discount is given on the monthly fee for the second child. If two children are in after-school recreation (Dægradvöl) in addition to a child in preschool, a 25% discount is given for one child and a 50% discount for the other child in after-school recreation (Dægradvöl).

After-school recreation (Dægradvöl). A full fee is always paid for afternoon refreshments.

The tariff for after-school recreation is tied to the consumer price index as of 1 September 2019 and is updated on 1 January each year.
